Press / Review:

“Chickeater Joe (he's one of your lower-ranking demigods) invented the Diddley Bow to save rock'n'roll, but he couldn't find anybody to play it except these wastrels from Vienna. Luckily they were up to the task. Now let's bask in the glorious sounds of victory.”

„Die Macht des Geldes besingen FAIRTRADE FLOYD aus Graz. Heavy Rockend und mit Crossover-Ausflügen, liefert der Vierer ein ganz ordentliches Visitenkärtchen ab und stellt auch gleich ein eigenes Instrument vor – nämlich den selbstgebauten Diddle-Stick, der mit einer einzigen Saite auskommt. (...) Wer nach guter Laune sucht, darf sich gerne von den Grazern anstecken lassen!“
